Key

A

Your electric usage history for this month, last month, and this month last year. Includes the total number of kilowatt-hours used, number of days in each billing cycle, and number of kilowatt-hours used per day.

B

Basic identification information for this account. It helps to have this handy when calling about your bill.

C

Payments received on this account since the last bill, and the outstanding balance, if any.

D

Amount due now, and your discount amount if paid by the discount date.

E

The number of kilowatt-hours used during this billing period.

F

An itemized account of the components of your total bill. Details for each item are printed on the back of the bill.

G

Summary of account information, current amount due, and payment deadline for discount. Return this stub with your payment.
