Q1. Section 9 of the Standard Designer Application Form states “ ...Any Design Services...”. Is this intended to state “...OPM Services...”?

A1. *It is, this is a “standard” form issued from the state. Please state relevant OPM services provided.*

Q2. Has a parcel for the new building been selected? If so, can you please confirm which one?

A2. *We have. The location will be provided to the final candidates. It will not be released at this time.*

Q3. Is there going to be SCADA equipment in the new building?

A3. *Yet to be determined at this time.*

Q4. Will the Customer Service area or any other areas have any specific safety and/or security requirements such as bullet-proof glass?

A4. *Yet to be determined at this time.*
