

2026 ENERGY STAR® Rebate

SHELD's appliance rebates are offered to promote the installation of ENERGY STAR qualified appliances, pool pumps and heat pump appliances. This program is designed to offset the incremental cost of such systems over standard replacements. Eligible appliances, pool pumps and heat pump appliances must be purchased between January 1, 2026 and December 31, 2026 and postmarked by March 31, 2027.

Eligibility for Appliance Rebate:

- Applicant must be a current electric customer of South Hadley Electric Light Department
- Only customers residing in 1-4 unit residences are eligible to participate
- Leased appliances are not eligible to receive rebates
- Appliances included in the purchase of a residence are not eligible
- Only new ENERGY STAR qualified appliances are eligible
- To qualify for a Wi-Fi thermostat rebate, you must have electric heat and/or central air conditioning
- Program terms and conditions are subject to change or cancellation without notice
- To be eligible for the Wi-Fi Thermostat rebate, home must have electric heat and/or central air conditioning
- Rebate will be in the form of an on-bill credit
- Contractors do not qualify
- New construction buildings do not qualify

How to Apply:

1. Purchase qualifying appliance, Wi-Fi Smart Thermostat or pool pump and save your dated sales receipt. A resource for determining eligible models can be found at www.energystar.gov.
2. Apply online at www.sheld.org and upload required documentation.
OR
Complete the following rebate application and mail along with required documentation to:
South Hadley Electric Light Department
85 Main St
South Hadley, MA 01075
Attn: Rebates
3. Upload or return the completed application along with a copy of your dated invoice or receipt.
 - Please remember that your submission must include a copy of your dated receipt which must include appliance brand, model, serial #, purchase date and cost
 - Please allow 3-4 weeks for processing
 - To receive the most efficient rebate value listed above on the ENERGY STAR appliances, the product must be on the current Most Efficient list provided by ENERGY STAR. Visit https://www.energystar.gov/products/most_efficient to see if your selected appliance qualifies.
 - SHELD reserves the right to limit, approve or deny applications.
 - Limit is (1) rebate every three years for the same appliance type for the following appliances: clothes washer, clothes dryer, dishwasher, freezer, refrigerator, variable speed pool pump, heat pump clothes dryer, portable induction cooktop/plate and 4 burner induction range.
 - Limit is (2) rebates per calendar year for the following appliances: air purifiers, room air conditioners and dehumidifiers.
 - Limit is (1) rebate every (5) years for a heat pump water heater.
