Addendum#1      Vegetation Mgmt RFP# VEG MGMT 2027      10/29/2026

Q1. Following review of the prevailing wages schedule, it doesn't appear as if they are available yet for the anticipated contract duration. We understand that DLS will need to be contacted by SHELD per the wage schedule responsibilities, but in the case of increases during the contract term, how is this typically managed between SHELD and the awarded Contractor as far as potential rate adjustments?

A1. The pre-vailing wage rages in the bid packet are for 2027-2028. We would just need to do a contract amendment for the new rates if they change, to support those values.
