

Heat pump discount of up to
\$1,200 available for South
Hadley Electric Light Department
customers!

Between 
\$675 and \$2,700*
in savings per year!

*Savings estimate based on customers who use oil, propane, or electric baseboard heating.

Heating oil, propane, and electric baseboard customers who switch to cold climate heat pumps could see significant annual savings.

 As part of your local light department's efforts to promote clean home heating and cooling alternatives for residents in Massachusetts, Mitsubishi is offering **SHELD** customers special pricing on the purchase of a cold climate heat pump.

 Heat pumps are an efficient and clean way to increase comfort in your home and save on your bills.

 A copy of your **SHELD** bill is required to receive your incentives. This is a limited time offer available through **December 31, 2021** or until funds are exhausted. Projects with an installation date of **January 1, 2021** or later are eligible. Visit www.munihelps.org for details.

There is a **SMARTER** way
to heat and cool your home.
Fix one room or the whole house.
